WEB SITES OF INTEREST *“Focus on the Family”* ministries have web sites you and your family may find of special interest in this “Sanctity of Life” and for those with an unplanned pregnancy: “We have some great resources available; BeAVoice.net offers information on pregnancy centers in your area and free resources. And TroubledWith.org offers a collection of articles, resources and referrals organized by topic around family issues and concerns.

“On TroubledWith.org, you’ll find a multitude of topics. Under ‘Love & Sex’ you’ll find the topic, ‘Unplanned Pregnancy.’ You’ll find a Q & A section that provides some amazing answers to many, if not all, of your concerns.

“Additionally, there are resources to help your daughter as she grapples with some of her own emotions. Specifically, there’s a website, StandUpGirl.com, that offers online support, fetal development information, true stories of girls who’ve faced unexpected pregnancies and a confidential crisis pregnancy help line.”
